REMARKS.

All changes in the Commissioned Officers will be noted in the column of Remarks or on the back of the Return.

Cavalry and Artillery are, as a general rule, attached to divisions—not to brigades or regiments—and will be so considered, unless otherwise specially ordered by competent authority.

☞ The Tri-monthly Returns required for the Adjutant General's Office will be made from Department, Army, or Army Corps Headquarters, on this blank, punctually, on the 10th, 20th, and last day of each month, *from the latest returns which have been obtained at those headquarters at those dates.* If the Army Corps be serving in an Army, its commander will forward a duplicate of his tri-monthly report *direct* to the Adjutant General U. S. Army. On the back of this report particular care will be taken to give the name of every regiment or detached company in full and the brigade and division to which it belongs.

REMARKS.

All changes in the COMMISSIONED OFFICERS will be noted in the column of Remarks or on the back of the Return.

Cavalry and Artillery are, as a general rule, attached to divisions—not to brigades or regiments—and will be so considered, unless otherwise specially ordered by competent authority.

☞ The Tri-monthly Returns required for the Adjutant General's Office will be made from Department, Army, or Army Corps Headquarters, on this blank, punctually, on the 10th, 20th, and last day of each month, *from the latest returns which have been obtained at those headquarters at those dates.* If the Army Corps be serving in an Army, its commander will forward a duplicate of his tri-monthly report *direct* to the Adjutant General U. S. Army. On the back of this report particular care will be taken to give the name of every regiment or detached company in full, and the brigade and division to which it belongs.

Cavalry and Artillery are, as a general rule, attached to divisions—not to brigades or regiments—and will be so considered, unless otherwise specially ordered by competent authority. ☞ The Tri-monthly Returns required for the Adjutant General's Office will be made from Department, Army, or Army Corps Headquarters, on this blank, punctually, on the 10th, 20th, and last day of each month, *from the latest returns which have been obtained at those headquarters at those dates.* If the Army Corps be serving in an Army, its commander will forward a duplicate of his tri-monthly report *direct* to the Adjutant General U. S. Army. On the back of this report particular care will be taken to give the name of every regiment or detached company in full, and the brigade and division to which it belongs.
