Gateway National Recreation Area

Position: Photographer

Objectives: The photographer will successfully take high-quality photographs during volunteer events and projects at Gateway National Recreation Area.

Responsibilities: Attend volunteer events on an as-needed basis. Create high-quality photographs and/or video for use in the Gateway VIP program's outreach and social media efforts. Edit photo and video shoots.

Background or qualifications: Candidates should have substantial photography experience. It is not necessary to have professional experience, but demonstrated skills with a camera is a must. Please provide your own camera.

Location: Seeking a few photographers at each unit (Jamaica Bay, Staten Island, and Sandy Hook, NJ).

Contact: Email Keith_White@nps.gov or call 718-354-4657
