

**Hawai`i Volcanoes Air Tour Management Plan/EIS
Public Meeting
Naalehu Community Center
April 20, 2011**

**In attendance: See sign-in sheet
(Total: 7 public and 4 NPS, 1 FAA,1 DOT-Volpe)**

Overall General Comments

- **“Would a heliport or airstrip on the Hilo side of Pahala adversely affect the park?”**
- **“No overflights over wilderness-supposed to be quiet”**
- **“Please provide all comments given by public on-line”**
- **“If aircraft go down, the companies should have to pay for costs of getting it out”**
- **“Regarding alternative #2: Move the weather route above Halema`uma`u away (the above 5,000’ agl) It is a concern”**
