IN REPLY REFER TO:

Determination of Temporary Trail Closure

36 CFR 1.5 Closures and Public Use Limits

(a) Consistent with applicable legislation and Federal administrative policies, and based upon a determination that such action is necessary for the maintenance of public health and safety, protection of environmental or scenic values, protection of natural or cultural resources, aid to scientific research, implementation of management responsibilities, equitable allocation and use of facilities, or the avoidance of conflict among visitor use activities, the Superintendent may:

- (1) Establish, for all or a portion of a park area, a reasonable schedule of visiting hours, impose public use limits, or close all or a portion of a park area to all public use or to a specific use activity

1. Temporary Road Closure Location: The Woodpecker Trail	
2. Duration of Temporary Road Closure: The Woodpecker Trail will be closed from Tuesday, July 14, 2015, until further notice or until the hazard is mitigated, whichever is shorter	
3. Who is affected by the Temporary Road Closure? Except in an emergency and for the duration of the closure to the above listed trail, all public use shall be prohibited	
4. Justification for Temporary Road Closure: To complete necessary hazard tree(s) mitigation and potential trail re-route to maintain public health and safety	
5. Additional Justification/Details for Temporary Road Closure: This temporary trail closure is required for public health and safety. Hazardous conditions have been identified on the trail. Due to the presence of these hazardous conditions, use of the trail by anyone is not safe until these hazards are mitigated
