The owner shall elect the term to be reserved. Unless the property is wholly or partly donated to the United States, the Secretary shall pay to the owner the fair market value of the property on the date of acquisition minus the fair market value on that date of the right retained by the owner. A right retained pursuant to this section shall be subject to termination by the Secretary upon his or her determination that it is being exercised in a manner inconsistent with the purposes of sections 459c to 459c-7 of this title, and it shall terminate by operation of law upon the Secretary's notifying the holder of the right of such determination and tendering to him or her an amount equal to the fair market value of that portion of the right which remains unexpired. Where appropriate in the discretion of the Secretary, he or she may lease federally owned land (or any interest therein) which has been acquired by the Secretary under sections 459c to 459c-7 of this title, and which was agricultural land prior to its acquisition. In making such designation the Secretary shall take into account the manner of noncommercial residential use and occupancy in which the dwelling and such adjoining property has usually been enjoyed by its owner or occupant. The term "agricultural property" as used in sections 459c to 459c-7 of this title means lands which were in regular use for, or were being converted to agricultural, ranching, or dairying purposes as of May 1, 1978 or, in the case of areas added by action of the Ninety-sixth Congress, May 1, 1979, together with residential and other structures related to the above uses of the property that were in existence or under construction as of May 1, 1978.

- (c) Payment deferral; scheduling; interest rate

In acquiring those lands authorized by the Ninety-fifth Congress for the purposes of sections 459c to 459c-7 of this title, the Secretary may, when agreed upon by the landowner involved, defer payment or schedule payments over a period of ten years and pay interest on the unpaid balance at a rate not exceeding that paid by the Treasury of the United States for borrowing purposes.

The Secretary is authorized to accept and manage in accordance with sections 459c to 459c-7 of this title, any lands and improvements within or adjacent to the seashore which are donated by the State of California or its political subdivisions. The boundaries of the seashore shall be changed to include any such donated lands.

(e) Fee or admission charge prohibited

Notwithstanding any other provision of law, no fee or admission charge may be levied for admission of the general public to the seashore.
