

**ZION NATIONAL PARK
COMMERCIAL USE AUTHORIZATION PROGRAM**

**2023 OPERATING PLAN FOR
COMMERCIAL MOTORCYCLE TOURS**

1. Authorized Use Defined:

Pass Through Only: Continuation of one-way regional (southwestern Utah and northern Arizona) leader accompanied motorcycle tours through designated portions of Zion National Park, including Kolob Canyons. Said motorcycle tours within Zion National Park are contingent upon conformance with, and subject to, all conditions included herein. No motorcycle activities or business limited to and/or focused upon Zion National Park are authorized by this permit. Only services defined above may occur under this authorization. The maximum commercial motorcycle group limit is 18 participants including guides (support vehicle not included).

Please note that notification for group size limits was issued in 2020, and for the 2021 and 2022 operating seasons the park implemented a maximum commercial motorcycle group limit of 18 participants including guides (support vehicle not included). Continued monitoring of this activity's compliance with the Zion National Park's 2010 Soundscape Management Plan will occur during 2023. This activity may be eliminated as a recreational opportunity in the future if conditions prove to violate sound ordinance (or other) regulations, laws, or policies.

2. Authorized Use Areas Defined:

Zion-Mt. Carmel Highway (NPS Route 10) through Zion National Park, which connects sections of Utah State Route 9, and associated park facilities in Zion National Park; and those portions of the Kolob Terrace Road between the Town of Virgin and the Kolob Reservoir within Zion National Park.

Roadways Only: In accordance with 36 CFR § 4.10, motorcycle use within Zion National Park is prohibited except on established paved roads and parking areas.

3. Unauthorized Use Defined:

Public Use Obstruction: Permitted groups are sharing visitor facilities with the general public. This permit does not convey any priority use of any park areas including park trails, road side pullouts, parking areas, picnic areas, etc. Permittees are responsible for the conduct of their clients. Tours must not interfere with the general visiting public.

Parking and stopping along park roads is prohibited except at designated paved parking areas or pull-offs. All vehicles and bicycles must be kept on established roadways. Parking and stopping in shuttle bus stops is prohibited during the shuttle season.

Laws and Policies: A Commercial Use Authorization does not authorize permittees to facilitate any activities or actions that are prohibited in the park. For more information on park regulations visit: <http://www.nps.gov/zion/learn/management/lawsandpolicies.htm>. Permit violations can result in punitive action (fine, revocation of permit and or arrest) against both the representative (guide), and the permittee.

This authorization does not allow guided hiking, interpretive, or instructional services on park trails. Leading interpretive talks or walks under this authorization is a violation of this permit and may result in revocation of permit privileges.

Soundscape Management: Commercial motorcycle tours are not authorized to have modified exhausts or any other modification that increases the noise level over factory specifications. Motorcyclists are not authorized to amplify sounds from integrated (or other) radio/music systems.

4. Guide Requirements:

An employee of the permittee designated as a tour leader (guide) shall ride at the rear of the group to assist with motorcycle adjustments and other touring concerns. Tour leaders shall brief the participants of each ride on safety concerns relevant to each day's ride on the morning of that riding day. Tour leaders shall be well acquainted with park regulations and support compliance with said regulations.

Acknowledgement of Permit Conditions: All guides and drivers are required to submit an online acknowledgement of CUA permit conditions before leading and/or driving tours into Zion National Park. This form is available online by visiting: [2023 Zion Commercial Motorcycle Tours Conditions Acknowledgment Form](#)

Medical Certifications: All tour leaders (guides) must have a valid driver's license and current medical certifications at minimum in basic first aid and CPR. These certifications must be on file with the Commercial Services Office. It is the permittees responsibility to keep this information up to date.

Guides are responsible for making sure clients have sufficient drinking water and nourishment for the duration of the planned activity and related weather conditions.

5. Speed Limits, parking, and vehicle requirements:

Speed Limits: Permittee and permittee's employees must follow all applicable traffic laws and posted speed limits throughout the park. Operating a vehicle at a speed in excess of the speed limit is prohibited. **The passing of motor vehicles is prohibited throughout the park.**

Parking and stopping along park roads is prohibited except at designated parking areas or pull-offs. All vehicles must be kept on established roadways, and there shall be no interference with pedestrians or other traffic in the park.

Vehicle Requirements: Gear may be tied to the top of the vehicle, carried inside of the vehicle, or transported in a trailer, but must not be attached to the sides of the vehicle.

Support Vehicle: A support vehicle shall accompany each tour and be accessible to the needs of the motorcycle riders. Support vehicles will be prohibited from traveling up the Zion Canyon Scenic Drive during shuttle operation season. All support vehicles used during the provisions of this service must have company identification visible on the driver's side of the vehicle.

The Zion Canyon Scenic Drive is limited to pedestrians, bicyclists, shuttle buses, private vehicles driven by Lodge guests with lodging reservations, and 16+ capacity passenger buses (with lodge reservations) during the shuttle season (typically mid-February through November, subject to change). Travel in Zion Canyon above the Lodge is restricted to all motor vehicles except Zion National Park shuttle buses and administrative traffic. Permittee's vehicles that do not meet the above criteria are prohibited from traveling on the Zion Canyon Scenic Drive during the shuttle season (unless in possession of overnight lodging reservations as stated above, a valid Red Permit must be displayed and visible in windshield) Visit www.nps.gov/zion for more information on the park's shuttle system. Addition official seasonal or emergency closures of roads, trails, or public areas must be observed by permittee.

Additional Area Closures: Behind administrative offices, employee housing areas, behind locked gates, near water tanks, beyond fences, on service roads, and in construction areas. Any addition official seasonal or emergency closures of roads, trails, or public areas must be observed by permittee.

7. Accidents/Injuries/Illness:

All accidents involving property damage, injuries, and/or medical problems must be reported to the park immediately at a ranger contact station or by calling (435) 772-3322. All such information must also be relayed by the permittee to the Commercial Services Office within 24 hours via email to zion_commercialservices@nps.gov.

8. Resource Protection:

All permittees are required to communicate the following messages to clients.

- Group leaders should be aware of current local conditions, flood levels, and flash flood warnings. This information can be obtained by stopping at the Visitor Center.
- Collecting or removing from the park any natural or cultural resource, or damaging or defacing any natural or cultural resource is prohibited.
- Stay on the road in order to protect delicate vegetation and soils.
- Take only pictures - leave no evidence of your visit.
- All food scraps (fruit peels, nut shells, etc.) are considered trash and must be disposed of properly. It is a violation to feed the wildlife, including squirrels.
- Smoking on trails and roadways is highly discouraged. Smokers must use caution when smoking to prevent igniting a wildfire. Cigarette butts are trash and must be packed out for proper disposal. Trip leaders/guides should check fire conditions for current restrictions.

9. Safety Precautions:

Permittees must post a safety notice and advise all participants to read this notice (and/or provide a safety talk before activities begin). Information contained in this notice must include, but not be limited to, water safety, environmental hazards (weather, floods, sun, temperature, etc.) and resource protection. Leaders should remind participants that heatstroke is a real danger in the desert. Participants should be advised to drink lots of water, eat snacks, and wear hats/sunscreen to minimize sun exposure. Safety information and weather conditions are available at park visitor centers and by visiting www.nps.gov/zion.

The permittee shall make helmets available to each of its riders free of cost.

Tour Leaders: An employee designated as a tour leader and/or support vehicle must ride at the rear of the group to assist with bike adjustments and other touring concerns. Tour leaders shall brief the participants of each ride on safety concerns relevant to each day's ride on the morning of that riding day.

Each guide must carry and maintain a kit for emergency medical care. The kit must be appropriate for group size and the nature of the activity and include a flashlight.

10. Camping:

If the permittee requires camping within the park, reservations must be made through <http://www.recreation.gov> or by calling 877-444-6777. Permittee groups are limited to Group sites in the E Loop of Watchman Campground and group sites A, B, C and D in the South Campground. Each company regardless of the number of CUA permits held is restricted to one group site per campground, per night. **Group campsite maximum capacities are strictly enforced. Arriving with a group beyond the maximum capacity for the site reserved will result in the cancellation of your reservation.**

Permittee's groups of 6 or less people may reserve one individual campsite at either campground per night, per company.

Group size is defined by the itinerary the group is traveling on. Splitting of groups is not permitted.

Violations of camping regulations will be considered a violation of this permit and may lead to the revocation of your company's campsite reservations and/or Commercial Use Authorization.

11. Monitoring:

The Superintendent shall have the right to monitor permittees activity for compliance with all aspects of this permit.

12. Entrance Fees:

Entrance Fees: Each time a permittee enters the park, they must identify themselves at a park entrance station or at the Kolob Visitor Center and must present a valid Commercial Use Authorization Permit (in full) to park staff (and must be able to present to park staff upon request at other park locations). This will enable park personnel to verify holders are on the approved list for commercial activities.

Fee Schedule (subject to change):

\$30.00 per motorcycle entrance fee will apply to each motorcycle. Participants may use annual or lifetime federal recreational land passes for entry of the pass holder (valid ID required. Signature on annual or lifetime pass MUST MATCH valid photo ID of individual riding the motorcycle (driver or passenger).
