Open 8:00 am to 4:00 pm, Monday – Friday

NOTE: The following date, locations, and proposed activities are based upon the 2017 Presidential Inaugural, as well as earlier Inaugurals, and may be subject to change, in coordination with the Presidential Inaugural Committee (PIC). Areas not reasonably necessary for Presidential Inaugural Committee activities, and consistent with public safety, will be open and available to the public. The 2021 Inauguration, like past inaugurations, is complex and extensive undertaking and will require consultations with the PIC for the 59th Presidential Inauguration, which will not be formed until after the Presidential election in November of 2020. As such, certain aspects of this application may be subject to change, in coordination with the PIC, Architect of the Capitol, Joint Congressional Committee on Inaugural Ceremonies, and the Armed Forces Inaugural Committee. Areas determined not reasonably necessary for PIC activities, and consistent with public safety, will be open and available to the public.

Section I: Contact Information:

The National Park Service on behalf of the Presidential Inaugural Committee pursuant to the Inaugural Ceremonies Act, 36 USC 501 – 511.

Section III: Logistics: Locations/Purpose of Activities/Plan for Proposed Activities

Set-up dates/activity dates/break-down dates: The dates of the proposed activity under this application will be from January 6, 2021 – February 10, 2021.

NOTE: During the time period devoted to set up, the setup of all press risers, facilities and structures will occur as close to the actual events as possible, in an effort to minimize disruption and adverse effects to park areas and park users. Dismantling will occur as soon as possible after the events in an effort to minimize disruption and adverse effects to park areas and park users.

Proposed Locations:

The Lincoln Memorial area, as more fully detailed as the park area bordered by 23rd Street, Daniel French Drive and Independence Avenue, Henry Bacon Drive and Constitution Avenue, Constitution Avenue between 15th & 23rd Streets, Constitution Gardens to include Area #5 outside of the Vietnam Veteran's Memorial restricted area, the Lincoln Memorial outside of its restricted area, the Lincoln Memorial Plaza and Reflecting Pool Area, JFK Hockey Field, park area west of Lincoln Memorial between French Drive, Henry Bacon Drive, Parking Lots A, B and C, East and West Potomac Park, Memorial Bridge, Memorial Circle and Memorial Drive, the World War II Memorial.

The Washington Monument Grounds as more fully depicted as the park area bounded by 14th & 15th Streets and Madison Drive and Independence Avenue.

Purpose of Activity: In connection with the Presidential Inaugural Ceremonies, this application is for use of the Lincoln Memorial areas and Washington Monument grounds by PIC, in the event that PIC seeks its use for the Inaugural related ceremonies and any necessary staging, which is expected to be:

- A) In the event that PIC seeks the use of the Lincoln Memorial areas for a pre-and/or post Inaugural ceremonies, the area will be used for staging the event(s), staging of media to cover and/or broadcast the event, and for ticketed and/or public viewing.
- B) In the event that PIC seeks to use the Western Slope of the Washington Monument grounds for a public overflow area to view pre-and/or post Inaugural ceremonies at the Lincoln Memorial, the area will be used for the public to observe the activities through prepositioned jumbotrons and sound towers.

Estimated Maximum number of Participants:

Under either situation, we estimate that 300 people will be necessary for the setup and take down of any event in the park areas.

- A) In the event of a pre- and/or post- Inaugural event at the Lincoln Memorial area, we anticipate that up to approximately 100,000 people may participate.
- B) In the event that the Washington Monument Grounds is needed for a public overflow area to view the Lincoln Memorial Inaugural ceremony we estimate up to approximately 200,000 people may participate.

Plans for Proposed Activity:

- A) In the event of a pre- and/or post- Inaugural event at the Lincoln Memorial area, the proposed plans include protective flooring material, building of the stage(s), tents (with lights and heaters), light towers, sound towers, generators, tables, chairs, video monitors (to include jumbotrons), portable restroom areas, first aid/lost and found areas and areas for staging the media to cover and/or broadcast the event, and for viewing areas for the ticketed and/or general public.
- B) In the event that the Washington Monument Grounds is needed for a public overflow area to view pre- and/or post- Inaugural event at the Lincoln Memorial, proposed plans

would include an audio system and jumbotrons, tents (with lights and heaters), generators, protective flooring materials, portable restroom areas, light towers.

Equipment to be used:

Based on past experience, the National Park Services anticipates that the following equipment will be used:

A) In the event of a pre- and/or post- Inaugural event at the Lincoln Memorial area:

- Generators
- Light towers
- Bike rack/chain link fence
- Chairs
- Trash dumpsters
- Recycling containers
- Forklifts
- Cranes
- Tents (approximately 60'x100')
- Restrooms (333 total units – 267 regular units, 66 ADA units)
- Stage
- Sound system
- Video monitors (to include jumbotrons)
- Press Riser/Stand
- Trailers (approximately 40'x10')

B) In the event that the Washington Monument Grounds is used for a public overflow area to view a pre- and/or post- Inaugural event at the Lincoln Memorial the following equipment will be used:

- Light towers
- Generators
- Protective flooring materials
- Trash dumpsters
- Sound system
- Heating system
- Lights
- Jumbotrons
- Portable restrooms (666 units total – 533 regular units; 133 ADA units)

Section V: Marshals and/or Volunteers:

Marshals: The National Park Service anticipates that there will be ten park rangers at the Lincoln Memorial area and 5 park rangers on the Washington Monument Grounds.

Functions of Marshals: Marshals will be on site to monitor the construction to ensure compliance with NPS regulations and permit conditions as well as to ensure that the park resources are protected.

Supervision of Marshals: The National Park Service anticipates that there will be a designated National Park Service supervisor on site.

Identification of Marshals: The park ranger marshals will be identified by both NPS uniform and credentials.

Ingress/Egress of Participants: Public transportation is expected to be used, with buses expected to be parked at RFK Stadium and at Metro parking areas throughout the Washington metropolitan area.
