

Budget Justification

This is a fictional budget for a project and will not match the other worksheets in this document. The example budget has been designed to show as many types of allowable expenses as possible. However, your project may not need to complete every section. Always remember in your application to ensure that all costs in the budget justification are explained in the project description worksheet.

Budget Justification Worksheet

Historic Preservation Fund Grants

Budget must be clear and all work elements must be eligible, reasonable, and directly relevant to the project. Items must be broken out between administrative costs and program costs. Leave blank any sections for which no costs will be charged. All items in the budget must be justified in the project description. This worksheet does not replace the SF-424A application form. Information provided below must be consistent with the SF-424A and/or SF-424C.

Administrative costs are defined as: Allowable, reasonable, and allocable costs related to the overall management of activities directly related to finance (accounting, auditing, budgeting, contracting), general administrative salaries and wages (grant administration, personnel, property management, equal opportunity) and other “overhead” functions (general legal services, general liability insurance, depreciation on buildings and equipment, etc.) not directly attributable to specific program areas identified in the grant agreement. All administrative costs reported must be absolutely necessary for project and/or program implementation, such as the cost items identified in the final grant agreement or items otherwise approved in writing by the NPS Awarding Officer (AO). Administrative costs plus any indirect costs charged to the grant may not exceed 25% of the overall project budget (Federal and matching share).

1. Personnel

Provide the titles, and names if applicable, of principal project personnel. Percent of time may be given as hours. Annual salary may be given as the hourly rate. Maximum hourly wages charged to this grant for personnel and consultants may not exceed 120% of the salary of a Federal Civil Service GS-15, Step 10. Current salary tables are available at <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/>.

Do you have policies and procedures in place that meet the financial management standards in [2 CFR 200.302](#)? If yes, please check the box.

If no, what mitigation measures are you proposing or what measures do you already have in place?

Do you have a single audit and when was it submitted to the [Audit Clearinghouse](#)? If yes, please check the box.

If no, do you have another type or audit or annual financial statement?

No, we did not meet the threshold to require a single audit. We did however conduct an internal financial audit.

Can you certify that there is no overlap in Federal Funding in terms of activities, costs, or time commitment of key personnel, including any application that was submitted for funding consideration to any other potential funding source (Federal or non-Federal)? If yes, check the box

If any overlap or duplication does exist, please describe the overlap including when the overlapping or duplicative proposal(s) were submitted, to whom (entity and program), and when funding decisions are expected to be announced.

List any past HPF grants your organization has received in the past 5 years, the name of the project, and the location. Please list as well grants your organization has received from State Historic Preservation Offices or Tribal Historic Preservation Offices.
