

Monday

9:30am MOVIE - 30 minutes
Giant Short-Faced Bear
Coffee and snacks served.

Topic experts discuss the probable life and demise of these ice age creatures.

11:00am SPEAKER - 45 minutes
Prehistoric Hunters

Join Ranger Jenn to examine artifacts from people who lived in this area 12,000 years ago and listen to the story of the early people who called this area home.

1:00pm MOVIE - 60 minutes
Masters of the Arctic Ice

Join us to view a National Geographic film looking at how the loss of Arctic ice affects the survival skills of ringed seals, polar bears, and others.

3:00pm SPEAKER - 30 minutes
Keeping Warm With Qiviut

Join Ranger Amanda to learn how to process qiviut from the muskox to mittens. Learn more about this animal and its impressive underfur.

7:00pm SPEAKER - 45 minutes
Moose and Squirrel: A Survival Tale

Explore how one of the largest and one of the smallest creatures coexist and survive on the tundra of the Seward Peninsula.

Stop by the Bering Land Bridge Visitor Center for additional program information and for information on Iditarod Race progress updated at least twice daily.

Join us at the SITNASUAK BUILDING or call 443-2522
