

Charlotte's Footsteps

Write the number matching the Bent's Fort job title under the picture showing one of the main objects used by the person doing that job.

1. Cook 2. Clerk (writes down traded items) 3. Carpenter (works with wood) 4. Horse trainer
5. Hide processor (historically a Native American woman) 6. Trader (trades items on wagon)
-

Charlotte was an enslaved black cook for William Bent. Her pies and slapjacks were popular among many visitors who ate in the fort's dining room.

Point to Ponder

Name a skill you might want to have in the future. What object would you be working with the most?
