

# ➤ Hide & Slide ◀

Color the Arkansas River **blue**. Color the hills **green**.

Color the buffalo **brown**. Color the sunflowers **yellow**.

Ledger Art Illustration by NPS High Plains Group Tribal Liaison, 2024.

Quotes from George Bird Grinnell, anthropologist, historian, and writer:

➤ “In summer, very little boys might be seen sliding down steep banks...wearing the hair off buffalo hide that they wished to use for the soles of moccasins.”

➤ “In winter the Cheyennes used to slide down on sleds made of buffalo-ribs.”

## Point to Ponder

“How do you think the lifeways of the Plains tribes change without buffalo?”
