

# Animal and Plant Checklist

---

All Ages

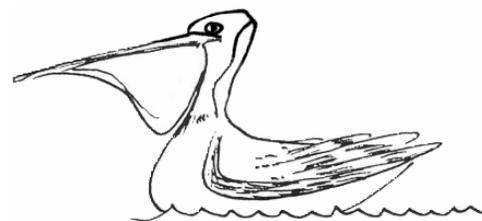

Time: It is up to you!

## What you need:

Blank Animal and Plant Checklists, Native Trees of South Florida ID Card, Florida Butterflies and their Caterpillars ID Card, Local Birds of the Florida Keys ID Card

## What to do:

1. As you explore the park look around for the animals and plants listed on the checklist. This can be an ongoing activity that spans your whole time at the park and can be done in small groups or on one master checklist.
2. Check off the animals and plants as you find them.
3. Use the guides in the pack to help find the items on the checklist.

### Did you know?

*You can find all sorts of checklists at parks. Bird checklists, animal checklists, plant checklists, and even sea bean checklists. Checklists can be a fun part of remembering your visits and what you observed.*
