IMPORTANT INFORMATION

Station Camp welcomes campers with and without horses. All campsites provide horse accommodations, although the type varies by site. Some sites feature new corral-panel stalls. If you are camping without horses, please consider another available site that meets your needs so visitors traveling with horses have more opportunities to reserve the new corrals. This is a voluntary courtesy request, and all sites remain available to all campers.

Campground is open year-round. Reservations can be made up to 6 months in advance for campsites. This campground does not accept cash/check payments.

Unreserved sites are available on a first-come first-serve basis.

FREE WIFI service available near bathhouse.

Check-in and check-out time is 12:00 pm ET.
