

**ATTACHMENT B
MOTORCYCLE TOURS
COMMERCIAL USE AUTHORIZATION
SPECIAL CONDITIONS**

1. **Closures and Public Use Limits:** The following areas are closed or restricted as indicated below. Additional locations may be closed or restricted by the posting of appropriate signs:
 - a. The Maintenance area, Water Tank area, Mixing Circle area, and roads leading thereto are closed to the general public, except foot or horseback traffic through the Mixing Circle on the established trail. (No foot or horseback traffic is allowed through the boundary fence at the Mixing Circle.)
 - b. Operators of street-legal motor vehicles shall enter or leave the park with such vehicles only on the following designated roads: Utah Hwy 63 and 12.
 - c. The following are closed areas: Service roads to the rear of the headquarters building and to Yovimpa pass and pumping station.
 - d. The following are closed to picnicking: North Campground, Sunset Campground, and Visitor Center Building and parking area.
 - e. Parking and stopping along park roads is prohibited except at designated parking areas or pull-offs.

2. **Speed Limits:** The speed limits for the following areas are established as prescribed below:
 - a. Main Park Road: 30 - 45 miles per hour (depending on exact location), or as posted by signs.
 - b. The vicinity of the Entrance Stations, Lodge Loop Road and Fairyland Road: 20 - 25 miles per hour (depending on exact location), or as posted by signs.
 - c. Road to Bryce Point: 35 mph, or as posted by signs.
 - d. Campground areas: 10 miles per hour, or as posted by signs.

3. **Roadways Only:** In accordance with 36 CFR 4.30, motorcycle use within Bryce Canyon National Park is prohibited *except* on park roadways and parking areas with paved surfaces.

4. **Restrooms and Drinking Water:**

Restrooms/drinking water can be found at the following locations:

 - a. Visitor Center (open all year)
 - b. Bryce Canyon Lodge (Closed in Winter)
 - c. Sunrise Point General Store (Closed in Winter)
 - d. North and Sunset Campgrounds (North is open all year)
 - e. Sunset Point (Open all year)
 - f. Inspiration Point (No drinking water/Closed in Winter)
 - g. Farview Point (No drinking water)
 - h. Rainbow Point (No drinking water)
 - i. Mossy Cave Trail (No drinking water)
 - j. Peekaboo Loop Trail (No drinking water/Closed in Winter)

5. **No Right of Renewal:** No right of renewal attaches hereto. Upon expiration of this permit, the viability of this service inside the park shall be reviewed and the Superintendent shall determine if authorization of this service shall continue under a Commercial Use Authorization (CUA). If a determination is made to continue the service under this type of authorization, CUA holder may then apply for a new permit.

6. **Accidents:** All accidents are to be reported to the nearest ranger station as soon as possible.
7. **Tour Leaders:** An employee of the CUA holder designated, as a tour leader, shall ride at the rear of the group to assist with motorcycle adjustments and other touring concerns. That individual shall be certified in CPR and first-aid care. Tour leaders shall brief the participants of each ride on safety concerns relevant to each day's ride on the morning of that riding day. The information provided to participants shall include a review of safety recommendations printed in the park publications; "Bryce Canyon, Official Map and Guide" and the "Hoodoo." These current publications are available upon arrival at the park. Tour leaders shall be well acquainted with park regulations, and support compliance with said regulations. Tour Leaders shall have a copy of the Commercial Use Authorization with them at all time while in the Park.
8. **Support Vehicle:** A support vehicle shall accompany each tour and be accessible to the needs of the bicycle riders.
9. **First-Aid Supplies:** Adequately sized first-aid kits shall be carried both by the motorcycle riding tour leader at the rear of the tour group, and in the support vehicle.
10. **Safety Leaflet:** CUA holder shall make available to all participants of tours a general safety leaflet addressing all aspects of motorcycle safety. A copy of this leaflet shall be provided to the Superintendent prior to the start of the operating season.
11. **Commercial Interpretive Services:** Permittees may provide interpretive or instructional services on the trails with proper permitting. Leading interpretive talks or walks without proper permitting is a violation of your permit and may result in revocation of permit privileges.
12. **Search and Rescue Expenses:** The CUA holder shall pay the cost for search and rescue efforts the park conducts on their behalf beyond everyday budgeting park expenses.
13. **Safety Equipment:** The CUA holder shall make helmets available to each of its riders free of cost.
14. **Spacing of Motorcycle Riders:** The CUA holder shall regulate participant riders on its motorcycle tours so that the entire group is broken into groups of no more than four riders per group, single file, each group spaced apart by approximately one-half mile. When stopping to converse, take pictures or make repairs, participants will pull completely off the roadway and will not bunch up or block traffic in any way.
15. **Camping:** Camping is on a reservation program. Camping is permitted only within designated sites, as indicated by appropriate signs. Campfires are restricted to established campfire grates, or personally provided grills. If campground camping is required by the permittee while in the park, such camping shall be in the group campsite, if available, and if group size is 7-30 people. Contact the National Park Reservation Service at (877) 444-6777, or by website at <http://www.recreation.gov>, to make group reservations. Should a group campsite be unavailable, permittee's group may camp in an individual site if group size is 10 or less. If group size is 11 or over, permittee's group shall not camp in one individual site but may reserve two or more sites with no more than 10 people per site.

16. **Entrance Fees:** Entrance fees shall be paid on an individual basis or for the entire group by the first individual to reach an entrance station, in accordance with park policy. **All trip participants/riders must stop at the entrance station and identify your company. They are not allowed to go through the shuttle/emergency lane.** Checks must have the company's TIN number on it or SSN on personal checks. Each time permittees enter the park, they must identify themselves and show a copy of their CUA. This will enable entrance station personnel to verify that you are on the approved list for commercial activities. The entrance fees per person are \$12 each. The guide/leader has free entry into the park. Individuals or groups who have previously paid the entrance fee must show proof of prior payment. Permittees may not use their own personal annual or lifetime federal recreational land passes to gain entry to the park for themselves or their customers when conducting business; however, clients may use their own annual or lifetime federal recreational land passes according to the parameters of the pass. Pass-holders will be required to show proper ID.
17. **Trip Itineraries:** Prior to the scheduled tour season, the CUA holder shall provide the Superintendent with trip itineraries and all required information on the itineraries. (See Attachment C form to be used.)
18. **Monitoring:** The Superintendent shall have the right to monitor CUA holder's tours for compliance with all aspects of this permit. Tour leaders shall carry a copy of the approved CUA and present it to any park official upon request. Monitoring costs are charged as part of the total fee. These costs start when the CUA holder arrives in the area to perform the permitted use and ends when the permitted use is over and the CUA holder leaves the area. This includes all costs for personnel and material, as well as all follow up needed in returning the area to its original condition, e.g. a Park Ranger would cost an estimated \$50 per hour for monitoring. Monitoring costs may vary depending on park staff involved.
19. **Operational Requirements:** Specific Activities Allowed/Disallowed:
- All vehicles must be kept on established roadways, and there shall be no interference with pedestrians or other traffic in the park.
 - Protection of Park Resources: Alteration of any park features (to allow set-up of equipment, enhance setting, etc.) is strictly prohibited.
 - Littering is prohibited. Participants are to leave as little evidence of their activity as possible and properly dispose of refuse.
 - The CUA holder shall be liable for any damages to property of the United States resulting from the activities authorized hereunder.
 - Vegetation: Activities must be confined to established walkways to prevent trampling of vegetation.
 - **Wildlife: DO NOT FEED THE WILDLIFE**—this disrupts natural processes the NPS is trying to preserve. Respect the space needed by all wildlife species. Use binoculars and view animals from a distance that does not result in avoidance or flight behavior. Intentionally approaching mammalian wildlife is limited to a distance no closer than 100 feet.
20. **Driver & Guide Responsibilities:** It is the responsibility of the permittee to ensure that all employees are informed of, understand, and abide by the conditions of the permit. Any permit condition violations can result in punitive action (fine, revocation of permit and or arrest) against both the representative (guide), and the permittee. The individual designated as the leader shall be certified in CPR and First Aid.

21. Resource Protection Message:

- Collecting or removing from the park any natural or cultural resource, or damaging or defacing any natural or cultural resource is prohibited.
- All food scraps (fruit peels, nut shells, etc.) are considered trash and must be disposed of properly. It is a violation to feed the wildlife, including squirrels.
- Take only pictures - leave no evidence of your visit.
- Vehicles must not idle their engines when parked. Vehicles that sit with engines idling create unacceptable amounts of noise and air pollution within Zion National Park.

22. **Annual Survey (Attachment D):** The permittee is required to provide an accurate accounting of visitation and revenue earned within Bryce Canyon National Park on the annual year-end survey.

23. **Photographs:** Photographs taken by the permittee for advertising or sales purposes may not involve activities that interfere with other visitors and may not depict activities that are illegal, unsafe, or result in damage to natural or cultural resources.

24. **Superintendent's Compendium (attached):** All Compendium regulations, Federal, and State laws also apply.
