

POLLINATOR PLEDGE

MAKE A PROMISE TO HELP POLLINATORS!

PLEDGE 1: NATIVE HABITAT

I promise to protect native plants and to advocate for native gardens whenever I can.

PLEDGE 2: LIMITED PESTICIDES

I promise to use pesticides responsibly and to ask others to limit their pesticide use, too.

PLEDGE 3: VOLUNTEER

I promise to volunteer my time to help pollinators. That could be at a conservation organization, or a community garden, or my own backyard! Wherever I volunteer, I will help weed, plant native plants, and/or water to help plants grow.

PLEDGE 4: SHARE

I promise to share my pledge with others which will encourage them to make the pledge, too!

**CAN YOU THINK OF ANOTHER PLEDGE?
WRITE IT IN THE SPACE PROVIDED
BELOW! AND DON'T FORGET TO SHARE
