I support _____ in participating in the Teacher-Ranger-Teacher program at Chattahoochee River National Recreation Area. This agreement supports teachers working in national parks during the summer as park rangers, while developing activities that support the curricula of this school. I will allow this teacher to implement these activities in the classroom with my review and approval.

I will also allow this teacher to participate in the spring 2014 National Park Week. During that week, she or he is allowed to wear the Teacher-Ranger-Teacher uniform to school and give presentations about their summer experience in the National Parks to our student body. If funding is available for substitute teachers, this teacher is permitted to visit other schools during National Park Week for additional presentations.
