Rules on the River

On all river sections in the park, you must have a wearable, appropriately sized, U.S. Coast Guard approved PFD on board all watercraft, including float tubes and air mattresses for each person.

EVERYONE MUST WEAR a U.S. Coast Guard approved PFD between Buford Dam and GA Hwy 20 when a watercraft is underway.

Water release from Buford Dam

The U.S. Army Corps of Engineers, which manages Lake Lanier, typically releases water from Buford Dam weekday afternoons. Heavy rains and downstream water demands may lead to unscheduled releases in the morning and on weekends. Warning sirens have been placed between Buford Dam and State Road 20 and will sound minutes before water release. For information call 770-945-1466.
