Employees must provide quality customer service, show leadership, maintain group management, guide decision making, communicate hazards to visitors, provide relevant safety messaging, and make conservative risk management judgements and decisions during activities. Employees must also respect the freedoms and rights of other groups and individuals they encounter on federal lands.

11. Entrance Fees: CUA holders are required to ensure their clients have paid the park’s weekly entrance pass or own a valid Interagency or Denali Pass. Passes may also be purchased online; details are available at go.nps.gov/DenaliFees. If using www.pay.gov, search “Denali NPP Weekly Entrance Pass” and pay for the appropriate number of visitors over the age of 16, who are not covered by a valid Interagency or Denali Pass. Pre-printed/pre-paid entrance fee tickets may also be available through a Third-Party Sales Agreement. 16. Commercial Road Access within Denali National Park and Preserve:

- Commercial passenger-carrying motor vehicles are allowed within the boundaries of Denali National Park and Preserve on the George Parks Highway and on the Denali Park Road as far west as the Denali Visitor Center complex (Mile Post 1.4) and Alaska Railroad Depot. No permit is required for this access. A commercial operator may therefore bring passengers into the park and stop within the developed area of the road corridor up to the Denali Visitor Center complex. This allows commercial operators to access the following: Denali Bus Depot, Backcountry Information Center, Riley Creek Mercantile store, showers and laundry, McKinley Park airstrip, U.S. Post Office, Day Use Picnic Area, Railroad Depot, and the Denali Visitor Center complex.
- No commercial vehicle may proceed west beyond the Denali Visitor Center complex except under either of the following scenarios: they have a Group Camping CUA and their travel is related to a current campground reservation or they have a Guided Winter Activities CUA and they are traveling during the time period of September 24th through when the park road closes for winter and mid-February through May 10 when the road officially opens to Mountain Vista Turnout. The winter closure date and February start date for road access will vary and is weather and driving-condition dependent.
