## Denali Science School - 2014 Registration Form

### ***Preferred Dates***

Two sessions of Denali Science School are available per week: Session I runs Monday through Wednesday and Session II runs Wednesday through Friday. Total group size per session is 30 students and 5 chaperones (teacher included) unless an exception is granted. Please ensure one chaperone for every six students.

Small classes can combine together to form one large group. We may also combine classes during the registration process. Please complete one form per class if requesting multiple sessions.

You will receive a confirmation email from Denali's education team by April 25, 2014. Registration is not guaranteed until you receive confirmation.

### ***Check your three preferred dates***
