

Safety Review Team Members: Several members of Death Valley NP's staff, including the Safety Manager, three Law Enforcement Rangers (EMS qualified), Permit Administrator, Permit Administrator Asst., Cultural Resources Curator (Natural Resources Branch Representative), and Management Assistant/Public Information Officer. In addition, the Special Park Uses Program Manager and a NPS Public Health Service doctor from the Washington DC offices, and the Caltrans Permit Engineer have been consulted regularly during the process. The Death Valley Law Enforcement Rangers have years of experience in running ultramarathon events and bicycle racing, and other team members have a long history of endurance events that include multi-sport racing and touring.
