

ECHO PARK, YAMPA BENCH, AND OTHER UNIMPROVED ROADS

Please Note: Unpaved roads shown on this map are primitive and become **IMPASSABLE IN WET WEATHER EVEN FOR 4-WHEEL DRIVE VEHICLES**. When dry, they can usually be driven in most pick-ups, with or without 4-wheel drive. All vehicles, including motorcycles and bicycles, must stay on designated roads.

Drinking water is available in summer only at Echo Park.

Vehicle camping within the Monument is restricted to established campgrounds such as at Echo Park and Deerlodge Park. Camping alongside the road, including the Harpers Corner Scenic Drive right-of-way and the overlooks along the Yampa Bench Road, is prohibited.
