

# PRESIDIO COASTAL TRAIL

## PUBLIC WALK SERIES

This summer, the National Park Service, Presidio Trust and Golden Gate National Parks Conservancy will begin improvements to the Presidio Coastal Trail corridor and Lincoln Boulevard bike lanes south of Merchant Road. Join us for a series of public walks to learn more about the project, including improvements to public access and the resources the project will protect and enhance. The walks will be led by staff with key expertise in the project elements and the natural and cultural resources in the area.

### PROJECT DESCRIPTION:

- Improvements will begin late June with new bike lanes along Lincoln Boulevard
- Work on the Golden Gate Overlook, Pacific Overlook, and trail improvements will begin after August 1
- A new multi-use trail will be installed to connect the Merchant Road parking lot to the Golden Gate Overlook and along Lincoln Blvd to the Pacific Overlook
- In addition to bike lanes, improvements to Lincoln Blvd will include a crosswalk at Washington Blvd to connect a future trail to Rob Hill campground
- All improvements are contained within the approved Presidio Trails and Bikeways Master Plan

### SERIES LINEUP:

The walks will occur on Saturdays from 10 am-Noon and include the following topics:
