Ms. Bowman:

Below is information in response to your request in FOIA 2011-00436 for "any GGNRA environmental impact studies (EIS) related to dog recreation for Sweeney Ridge, Milagra Ridge, or Mori Point, other than the current GGNRA draft dog management plan EIS."

Mori Point Restoration and Trail Plan EA: FONSI in 2006; project completed in 2009. Documents may be accessed at this location:

<http://parkplanning.nps.gov/MoriPointEA> or <http://www.nps.gov/goga/parkmgmt/moripointplan.htm>

The following item is attached to this email: 1991 Habitat Restoration for Mission Blue and San Bruno Elfin Butterflies EA (Parkwide)

With the release of these documents, we consider our response to FOIA 2011-00436 to be complete.

Howard Levitt

Habitat Restoration for MBB and SB Elfin Butterflies EA 1991.pdf
