

# RANCHO CORRAL DE TIERRA POCKET MAP

Welcome to Rancho Corral de Tierra. We invite you to connect with the newest addition to the Golden Gate National Recreation Area and share the experience with your friends and family!

**The vision for Rancho Corral de Tierra: A welcoming park and thriving ecosystem that meets the needs of surrounding communities while providing a broad range of recreational and outdoor activities for both new and returning visitors.**

We are on the traditional territory of the Chiguan, a local tribe of the Ramaytush Ohlone. Rancho Corral de Tierra became a National Park in 2011. From hiking through forested trails to viewing the extensive coastline, use this guide to learn more about the area and enjoy the outdoors in your favorite way at Rancho.

**We would love to hear from you!**
