Things to Know Before Applying

How to Apply. ONLY ONE APPLICATION IS ACCEPTED PER GROUP. When applying for more than one trip at a time, please write a note of explanation.

- Fax application to 1-928-638-2125
- OR mail to Backcountry Information Center, 1824 S Thompson St #201, Flagstaff AZ, 86001
- OR bring to the Backcountry Information Center, located inside the park on both the South Rim and the North Rim
- PERMIT APPLICATIONS ARE NOT ACCEPTED BY TELEPHONE OR EMAIL.

When to Apply. For the best chance of success, submit your group's backcountry permit application during the Earliest Consideration period (before 5pm MST on the 1st of the month that is four months prior to your proposed start date). Earliest Consideration permit applications can be submitted up to 10 days before the 1st of the month. All early applications received before 5pm on the 1st of the month are placed in a computer generated random order and are then processed in that order. Only after all Earliest Consideration applications have been processed are later applications considered in the order received.

Note: Corridor sites are usually all claimed during the Earliest Consideration period. Hikers submitting an application after this period should look at the Corridor Availability Snapshot to see what is available (<https://www.nps.gov/grca/planyourvisit/upload/CorAvail.pdf>).

Itinerary. You may submit as many itinerary choices per application as you wish (use additional pages if necessary and include the trip leader's full name on all pages). Itineraries can be longer than seven nights. Dates must be consecutive within itinerary. Include nights at Phantom Ranch, on Forest Service land, and on Tribal land.

Group Size. Only one application is accepted per group regardless of group size. More permits are available for small groups (1-6 people) than for large groups (7-11 people).

Permit Cost. \$10 per permit plus \$12 per person or stock animal per night camped below the rim and \$12 per group per night camped above the rim. Denied applications do not incur a charge. Permits cancelled at least four days in advance receive hiker credit (minus \$10) valid for one year. Charges are NON-REFUNDABLE!

Permit Response Time. Allow up to three weeks for your backcountry permit application to be processed. Applications are responded to by email.

Safety. Travel in Grand Canyon's backcountry has inherent risks and hikers assume complete responsibility for their own safety. Rescue is not a certainty. Backcountry users should be in good physical condition and take all necessary precautions. Visit <https://www.nps.gov/grca/planyourvisit/hike-tips.htm>

Regulations. Grand Canyon hikers are responsible for knowing and obeying all backcountry rules and regulations. Visit <https://www.nps.gov/grca/planyourvisit/backcountry-regs.htm>

Multiple Permits. Regulations stipulate permits are void when a group (i.e. same club, organization, group of friends, etc.) obtains multiple permits for the same campground or use area for the same night.
