

III. Artifact Analysis: See-Claim-Why Method

SEE 	CLAIM 	WHY 
What do you <u>see</u> ? Period. ANYTHING that sticks out to you!	Make a <u>claim</u> . Based on what you see, what do you think this artifact is? What might it have been used for?	Explain <u>why</u> . What evidence leads you to believe that your claim is accurate?
FRFR 	<i>Forreall forreall</i> , what is/was this artifact? How close were you? Now knowing the answer, is there something you see in the artifact that you missed before?
