## Conditions Governing Use Statement

Permission to use image reproductions for publication is granted in consideration of the following terms and conditions:

1. Permission is for ***one-time only***. Any subsequent use in any publication (print or electronic) constitutes reuse and must be applied for in writing.
2. All reproductions must be credited to: ***Courtesy of Independence National Historical Park***.
3. Images must be reproduced accurately, without altering the color or composition. This prohibition includes cropping or inverting an image.
4. In authorizing the publication of an image reproduction, Independence National Historical Park does not surrender its own right to publish it, nor to grant permission to others to do so.
5. Permission to use must not be construed to imply that the United States Department of Interior or the National Park Service either endorses or promotes the product in which a reproduction is published.
6. Fees for reproduction services assist in recovering the costs associated with providing image reproductions and the shipment of requested materials.
7. Independence National Historical Park does not charge a publication use fee. The park requests one complimentary copy of each publication in which an image reproduction appears to be sent to the Independence National Historical Park Library and Archives.
8. This agreement constitutes the entire agreement between parties. Any changes to the above conditions will be made in writing, not orally, and will be considered part of these conditions for publication.
9. This agreement is made upon the express condition that the United States, its agents and employees shall be free from all liabilities and claims for or by reason of any claim of copyright infringement of any kind whatsoever, arising from any activities conducted pursuant to the terms of this agreement, and the applicant named on this instrument hereby covenants and agrees to indemnify, defend, save, and hold harmless the United States, its agents and employees from all such liabilities, expenses, and costs on accounts of or by reason of any claims, suits, or losses however occurring or damages arising out of the same.
