James A. Garfield National Historic Site Announces Summer Hours

Mentor, Ohio – The James A. Garfield National Historic Site will begin its summer schedule on Friday May 1, 2009. The site will be open daily Monday through Saturday from 10:00am to 5:00pm and on Sundays from 12:00pm to 5:00pm. This extended summer schedule will remain in effect through Saturday October 31, 2009. Children’s tours occur every Saturday at noon. Admission to the site is \$5 for adults; children 15 and under are free.

In addition to regular tours of President Garfield’s home, park rangers offer special “Behind the Scenes” tours on the first Saturday of each month. These tours includes a visit to the basement, servants quarters, and third floor of the home, along with an inside look at the windmill and 1870’s barn—areas not visited during regular tours. Reservations are required. Group tours are available by appointment.

The James A. Garfield National Historic Site is located at 8095 Mentor Avenue in Mentor, and is owned and operated by the National Park Service, U.S. Department of the Interior. The park preserves eight acres of President Garfield’s family farm, the family home, and other historic farm structures.
