II. Design Discussion

The Design Review Team (DRT) met to discuss the exhibit design plans for the Old Courthouse.

The park brought forward an issue raised by the CRM advisors. Floor to ceiling murals depicting a crowd around the perimeter of the rotunda space would detract from the appreciation of the architectural space and fool the eye into missing the real boundaries of the walls. Although eye catching for a short term exhibit, it is not appropriate for an exhibit that will likely last 10 or more years. The team asks that the designers consider placing exhibit panels and perhaps text on the walls in areas to give the feeling of people in the space without surrounding the entire space.

CAR 2015 agreed with this assessment.

Missouri Preservation (Bill Hart) agreed with these recommendations via email.

III. Next DRT Meeting

The next DRT meeting is set for Tuesday October 1 at 9 am Central time to discuss the site development plans. Tuesday September 17 and Tuesday September 24 at 11 am is reserved for presentations on the plans. Currently no presentations have been scheduled, however, the team will be informed should one be offered.
