

JFK, All the Way

*Jack's family was
Very competitive
So large and wealthy
Jack stole his brother's frosting
He was mischievous a lot*

*Jack was sick a lot
Scarlet Fever, Whooping Cough
Stayed in bed reading
Wrote a book when he was sick
Determined for what he did*

*Jack wanted to sail
Jack's dad was competitive
Football and swimming
Second place is for losers
Jack was determined to win*

*Navy Commander
Back pain did not slow him down
Swam to save his crew
He was very smart and brave
Courageous and heroic*

*Going to the moon
Get there before Russia does
It is our great goal
There before the decade ends
We have won the great moon race*

*Jack made the Peace Corps
It helped a lot of countries
It was successful
Food, Shelter from volunteers
Caring, Kind, Very Helpful*
