

JFK, A Spark of Hope

Family life

Big family, Cape Cod

Tricking, Following, Learning

JFK felt overcrowded in a small house

Siblings struggling for a place for his family

Competition

Fun, hard

Swimming, Biking, Debating

A lot of pressure

Rivalry, challenge

Courage

Brave, Standing up

Speaking, Winning, Helping

Being not afraid

Bravery, Strength

Helping Others

Kind, Peace

Caring, Respecting, Saving

A savior of lives

Determined, Loving

Space Race

Competitive hard

Challenging, Encouraging, Winning

Unique like nothing seen before

Act smart

Civil Rights

Hesitant, Courageous

Risking, Debating, Thinking

We should all have equal rights because we are the same

African American freedom and rights for all!
