

All About JFK

Jack's family wanted Jack to be number one.

Rosemary taught him to be thankful for what we have.

His family taught Jack to be on time, to read a lot, to think for himself, and to be a positive role model.

Supportive, helpful, serious, loving,

JFK's family teaches us to do our best and to never give up.

A Japanese destroyer split PT-109 in half. JFK was in command.

He saved an injured crew member by putting the man's life jacket strap in his teeth and swimming to an island.

He carved a message on a coconut and gave it to a native who got help.

They were rescued!

Courageous, considerate, confident, heroic.

JFK encourages us to help others and to not only think about ourselves.

JFK created the Peace Corps to help the poor in other countries by farming, teaching, building, nursing.

Creative, caring, thoughtful, giving.

JFK teaches us to work toward world peace.

JFK fought to end segregation.

He believed that black and white people should be treated equally.

He worked with MLK Jr. and his brother Bobby so that all people would be treated fairly.

Peaceful, determined, understanding, thinker.

JFK teaches us that it doesn't matter what's on the outside, it's what's on the inside that counts.

He teaches us to treat others the way we want to be treated.
