

# Kenai Fjords National Park Exit Glacier Summer Management Zones

National Park Service  
Department of the Interior

Title 36 CFR 13.1308 States:  
The Harding Icefield Trail from the junction of the main paved trail near Exit Glacier to the emergency hut near the terminus is closed to-

- a. Camping within 1/8 mile of the trail from March 1 through November 1; and
- b. Bicycles or other wheeled devices.

Title 36 CFR 13.1312 States:  
Except for areas designated by the Superintendent, climbing or walking on, in, or under Exit Glacier is prohibited within 1/2 mile of the glacial terminus from May 1 through October 31, and during other periods as determined by the Superintendent. Restrictions and exceptions will be available for inspection at the park visitor center, on bulletin boards or signs, or by other appropriate means.

Title 36 Code of Federal Regulations (CFR) 13.1318 defines Exit Glacier Developed Area (EGDA) As:

- 1. From the park boundary to Exit Glacier Campground Entrance Road, all park areas within 350 meters (383 yards) of the centerline of the Exit Glacier Road;
- 2. From Exit Glacier Campground Entrance Road to the end of the main paved trail, all park areas within 500 meters (546 yards) of any paved surface; or
- 3. All park areas within 300 meters (328 yards) of the terminus of Exit Glacier.
