Join us in celebration of Women's History Month!

The Mary McLeod Bethune Council House National Historic Site is teaming up with Maggie L. Walker National Historic Site, Clara Barton National Historic Site, and Harriet Tubman Underground Railroad National Monument to celebrate these amazing women of character, courage and commitment. As educators, humanitarians, activists, and leaders, these women helped shape the course of American history. The tremors and echoes of their impact can still be felt today.

You are invited to join the Mary McLeod Bethune Council House NHS on Saturday, March 8th to celebrate the one and only Mary McLeod Bethune and the women around her that helped make her dreams and visions come true. There will be a Ranger-led program with an introduction by educator Melissa Green. The program will feature guest lecturer Janice Ferebee, great niece of Dorothy Boulding Ferebee, followed by a living history performance by Kate Campbell Stevenson as Eleanor Roosevelt. An exhibit unveiling and open house will follow the lecture and performance.

Guest Speaker, Janice Ferebee, MSW

Guest Performer, Kate Campbell Stevenson
