

## Food Find

What types of foods did Ancestral Puebloans eat? Find their foods in the word puzzle below, then solve the Mystery Phrase to learn where Ancestral Puebloans got their food. To solve the mystery phrase you need to:

1. Complete the word puzzle by putting a line through each word as you find them.
2. Once you find all the words, circle all the letters that have not been used. Place each circled letter (starting with the "t" at the top) on a line in the mystery phrase below (left to right). The first letter for each word has been provided to help you get started. Good luck!

- bean
- cactus fruit
- corn
- mule deer
- pinyon nut
- rabbit
- ricegrass
- seep spring
- squash
- sunflower
- turkey
- yucca
