

ADDITION OF THE AMERICAN SEGMENT

Boundaries. SEC. 706. Section 3(a) of the Wild and Scenic Rivers Act is amended
16 USC 1274. by adding the following new paragraph at the end thereof:

 “(21) AMERICAN, CALIFORNIA.—The North Fork from a point 0.3
 mile above Heath Springs downstream to a point approximately
 1,000 feet upstream of the Colfax-Iowa Hill Bridge, including the
 Gold Run Addition Area, as generally depicted on the map entitled
 ‘Proposed Boundary Maps’ contained in Appendix I of the document
 dated January 1978 and entitled ‘A Proposal: North Fork American
Administration. Wild and Scenic River’ published by the United States Forest Service,
 Department of Agriculture; to be designated as a wild river and to be
 administered by agencies of the Departments of Interior and Agricul-
 ture as agreed upon by the Secretaries of such Departments or as
 directed by the President. Action required to be taken under subsection
 (b) shall be taken within one year after the date of the enactment of
 this paragraph; in applying such subsection (b) in the case of the Gold
 Run Addition Area, the acreage limitation specified therein shall not
12 USC 1277. apply and in applying section 6(g)(3), January 1 of the calendar
 year preceding the calendar year in which this paragraph is enacted
 shall be substituted for January 1, 1967. For purposes of carrying out
Appropriation the provisions of this Act with respect to the river designated by this
authorization. paragraph, there are authorized to be appropriated not more than
 \$850,000 for the acquisition of lands and interests in land and not more
 than \$765,000 for development.”.

ADDITION OF MISSOURI SEGMENT

Boundaries. SEC. 707. Section 3(a) of the Wild and Scenic Rivers Act is amended
 by adding the following new paragraph at the end thereof:

 “(22) MISSOURI RIVER, NEBRASKA, SOUTH DAKOTA.—The segment
 from Gavins Point Dam, South Dakota, fifty-nine miles downstream
 to Ponca State Park, Nebraska, as generally depicted in the document
 entitled ‘Review Report for Water Resources Development, South
 Dakota, Nebraska, North Dakota, Montana’, prepared by the Division
 Engineer, Missouri River Division, Corps of Engineers, dated August
 1977 (hereinafter in this paragraph referred to as the ‘August 1977
 Report’). Such segment shall be administered as a recreational river
Cooperative by the Secretary. The Secretary shall enter into a written coopera-
agreement. tive agreement with the Secretary of the Army (acting through the
 Chief of Engineers) for construction and maintenance of bank stabi-
Notice and lization work and appropriate recreational development. After public
consultation. notice and consultation with the State and local governments, other
 interested organizations and associations, and the interested public, the
 Secretary shall take such action as is required pursuant to subsection
Administration. (b) within one year from the date of enactment of this section. In
 administering such river, the Secretary shall, to the extent, and in a
 manner, consistent with this section—

 “(A) provide (i) for the construction by the United States of
Recreation river such recreation river features and streambank stabilization struc-
features and tures as the Secretary of the Army (acting through the Chief
streambank of Engineers) deems necessary and advisable in connection with
stabilization the segment designated by this paragraph, and (ii) for the opera-
structures, tion and maintenance of all streambank stabilization structures
construction. constructed in connection with such segment (including both
 structures constructed before the date of enactment of this para-
 graph and structures constructed after such date, and including

both structures constructed under the authority of this section and structures constructed under the authority of any other Act); and

“(B) permit access for such pumping and associated pipelines as may be necessary to assure an adequate supply of water for owners of land adjacent to such segment and for fish, wildlife, and recreational uses outside the river corridor established pursuant to this paragraph.

Access.

The streambank structures to be constructed and maintained under subparagraph (A) shall include, but not be limited to, structures at such sites as are specified with respect to such segment on pages 62 and 63 of the August 1977 Report, except that sites for such structures may be relocated to the extent deemed necessary by the Secretary of the Army (acting through the Chief of Engineers) by reason of physical changes in the river or river area. The Secretary of the Army (acting through the Chief of Engineers) shall condition the construction or maintenance of any streambank stabilization structure or of any recreational river feature at any site under subparagraph (A) (i) upon the availability to the United States of such land and interests in land in such ownership as he deems necessary to carry out such construction or maintenance and to protect and enhance the river in accordance with the purposes of this Act. Administration of the river segment designated by this paragraph shall be in coordination with, and pursuant to the advice of a Recreational River Advisory Group which may be established by the Secretary. Such Group may include in its membership, representatives of the affected States and political subdivisions thereof, affected Federal agencies, and such organized private groups as the Secretary deems desirable. Notwithstanding the authority to the contrary contained in subsection 6(a) of this Act, no land or interests in land may be acquired without the consent of the owner: *Provided*, That not to exceed 5 per centum of the acreage within the designated river boundaries may be acquired in less than fee title without the consent of the owner, in such instance of the Secretary's determination that activities are occurring, or threatening to occur thereon which constitute serious damage or threat to the integrity of the river corridor, in accordance with the values for which this river was designated. For purposes of carrying out the provisions of this Act with respect to the river designated by this paragraph, there are authorized to be appropriated not to exceed \$21,000,000, for acquisition of lands and interests in lands and for development.”

Recreational River Advisory Group.

Lands and interests, acquisition. 16 USC 1277.

Appropriation authorization.

Sec. 708. Section 3(a) of the Wild and Scenic Rivers Act is amended by adding the following new paragraph at the end thereof:

Boundaries. 16 USC 1274.

“(23) SAINT JOE, IDAHO.—The segment above the confluence of the North Fork of the Saint Joe River to Spruce Tree Campground, as a recreational river; the segment above Spruce Tree Campground to Saint Joe Lake, as a wild river, as generally depicted on the map entitled ‘Saint Joe River Corridor Map’ on file with the Chief of the Forest Service and dated September 1978; to be administered by the Secretary of Agriculture. Notwithstanding any other provision of law, the classification of the Saint Joe River under this paragraph and the subsequent development plan for the river prepared by the Secretary of Agriculture shall at no time interfere with or restrict the maintenance, use, or access to existing or future roads within the adjacent lands nor interfere with or restrict present use of or future construction of bridges across that portion of the Saint Joe designated as a ‘recreational river’ under this paragraph. Dredge or placer mining shall be prohibited within the banks or beds of the main stem of the

Administration. Roads and bridges, access.
