APPLICATION REQUIREMENTS FOR A COMMERCIAL FILMING/STILL PHOTOGRAPHY PERMIT

In response to your inquiry concerning Commercial Filming/Still Photography, enclosed is a short-form Application Worksheet for you to complete and return to us. It is important that the worksheet be as detailed as possible concerning your proposed activity. For example, we must know where you propose to stage your film/photography shoot, the size of crew including models or actors, what type of equipment (sets and/or props) you will use, *and* any special provisions you may have.

If you are not familiar with the area, it is advisable to make an advance-scouting trip for routes and/or locations. You will not be permitted to arrive and then select routes/locations on the day of the event. You will need to attach a copy of advertisements, flyers, brochures, and all information sent to participants.

The information on the worksheet will be utilized by National Park Service (NPS) staff to evaluate the impact of your activities on park resources and visitors, appropriate level of monitoring required, and any additional costs associated with your request. It may require several weeks to review your request and render a decision.

A non-refundable application fee of \$111.00 is required from all applicants, regardless of whether or not the permit is issued. This payment must accompany the permit worksheet. Payment must be made to the National Park Service.

The NPS has the authority to recover any or all of the costs associated with commercial filming/still photography activities. These costs include:

Administrative processing – starting at \$391.00

Monitoring costs – minimum of two hours at \$45.00/hour

Location fees – to be determined based on type of activity, size of crew, and number of days

If your request is approved, a Certificate of Insurance will be required showing that you have general liability insurance coverage of \$1,000,000. This certificate must name the United States of America as "additional insured." Other coverage limits may be required based on the requested activity. If required, we will need an **original** certificate of insurance for our files. The permit holder's name must be on the Certificate of Insurance.

A performance bond may also be required. The amount of the bond will be determined from the information provided on the worksheet. It may be paid by bond or cashier's check. This bond will be returned to you upon completion of your activity if all stipulations have been met and park resources have not been damaged.
