Superintendent's Compendium
Of Designations, Closures, Permit Requirements and Other Restrictions Imposed Under Discretionary Authority.

Approved: _____ Date: 4/1/16
Tom Ross
Superintendent

In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations ("36 CFR"), Chapter 1, Parts 1-7, authorized by Title 16 United States Code, Section 3, the following provisions apply to all lands and waters administered by the National Park Service, within the boundaries of [Morristown National Historical Park]. Unless otherwise stated, these regulatory provisions apply in addition to the requirements contained in 36 CFR, Chapter 1, Parts 1-7.

Written determinations, which explain the reasoning behind the Superintendent's use of discretionary authority, as required by Section 1.5(c), appear in this document identified by italicized print.

Whenever park hours as posted vary, the hours posted take precedence over the above times.

Severe weather conditions or other operational constraints may require delayed opening or non-opening of park roads.

Severe weather or other operational constraints may require delayed opening or non-opening of any or all visitor use buildings.

The following park areas are closed to the public:

(A) Wick farm barn and corral
(B) Yards immediately adjacent to permanent housing.
(C) The maintenance area.
(D) Cross-Estate (Available by Special Use Permit Only)

Justification: (A) The Superintendent has determined that this closure is necessary for the safety of park visitors and maintenance of the orchard and fences. (B) To maintain resident privacy.

§(a)(2) Closures and Public Use Limits

- The following park buildings or portions of park buildings are closed to the public (except as specifically authorized and/or escorted by park staff):

  (A) Museum: Curatorial storage, administrative offices, mechanical room boiler room, lunchroom, service rooms, stage rooms, attic spaces.
  (B) Ford Mansion: Rooms and room spaces closed by gates and /or roped off, basement, attic spaces.
  (C) Visitor Center: Hut pit, service rooms, storage rooms and boiler room.

(D) Wick House: Rooms and room spaces closed by gates and/or roped off, service/storage rooms, attic spaces, storm cellar.
(E) Maintenance Area Buildings: All interior areas.
(F) Cross Estate: Entire building (except guests accompanied by a resident in the dormitory portion of the building and those authorized permittees / volunteers in the administrative portion.)
(G) Permanent Housing: All interior spaces and outbuildings associated directly with the residence.

- **Recreational sledding, inner tubing, and tobogganing are prohibited at the following locations:**

(A) The open field adjacent to the Soldier Huts
(West of the Tour Road and north of the Sugarloaf Road exit)
(B) The area immediately adjacent to the Wick House
(C) Within the entire Headquarters –Ford Mansion Unit.

Justification: The Superintendent has determined that the above recreational activities conflict with the historical scene at the locations specified. They are permitted elsewhere in the park except as is specified in 36 CFR 2.19.

- **Launching, landing, or operating an unmanned aircraft from or on lands and waters administered by the National Park Service within the boundaries of Morristown National Historical Park is prohibited except as approved in writing by the Superintendent.**

The compendium closure against unmanned aircraft is necessary to maintain public health and safety in units of the National Park System and to protect park resources and values until the NPS can determine whether specific uses of unmanned aircraft on lands and administered by the NPS are appropriate and will not cause unacceptable impacts on park resources and values.

- The following areas within Morristown National Historical Park have been designated for the following activities that have been issued a permit from the Superintendent or designee: special events, public assemblies and meetings, sale or distribution of printed matter and memorialize:

Washington's Headquarters – Flagpole near Ford Mansion
Washington's Headquarters – Visitor parking lot median
Jockey Hollow Visitor Center – Flagpole
Jockey Hollow Visitor Center – Parking area, bus section
Fort Nonsense – Median between road loop near parking.

II. 36 CFR §1.6 – ACTIVITIES THAT REQUIRE A PERMIT

(f) The following is a compilation of those activities for which a permit from the superintendent is required:

- §2.12 Audio Disturbances:
  - (a)(2) Operating a chain saw in developed areas
  - (a)(3) Operation of any type of portable motor or engine, or device powered by a portable motor or engine in non-developed areas
  - (a)(4) Operation of a public address system in connection with a public gathering or special event for which a permit has been issued pursuant to §2.50 or §2.51

- §2.17 Aircraft & Air Delivery:
  - (a)(3) Delivery or retrieval of a person or object by parachute, helicopter or other airborne means
  - (c)(1) Removal of a downed aircraft
- §2.37 Soliciting or demanding gifts, money goods or services (Pursuant to the terms and conditions of a permit issued under §2.50, §2.51 or §2.52)
- §2.38 Explosives:
  - (a)Use, possess, store, transport explosives, blasting agents
  - (b)Use or possess fireworks
- §2.50(a) Conduct a sports event, pageant, regatta, public spectator attraction, entertainment, ceremony, and similar events
- §2.51(a) Public assemblies, meetings, gatherings, demonstrations, parades and other public expressions of views
- §2.52(c) Sale or distribution of printer matter that is not solely commercial advertising
- §2.60(b) Livestock use
- §2.61(a) Residing on federal lands
- §2.62 Memorialization:
  - (a) Erection of monuments (Requires approval from Regional Director)
  - (b) Scattering ashes from human cremation
- §3.3 Use of a vessel
- §4.11(a) Exceeding of established vehicle load, weight and size limits
- §5.1 Advertisements - (Display, posting or distribution.)

  - (a) Commercial filming of motion pictures or television involving the use of professional casts, settings or crews, other than bona fide newsreel or news television
  - (b) Still photography of vehicles, or other articles of commerce or models for the purpose of commercial advertising. Still photography activities require a permit only if:
    - The still photography activity uses models, sets or props
    - The still photography activity takes place in an area where or when member of the public are not allowed

- The Park would incur costs for providing on-site management and oversight to protect agency resources and minimize visitor use conflicts.
- Public Law 106-206 bases the permit requirements for still photography on whether the activity will interfere with other park visitors and park activities or impact park resources; not whether the photographer is a professional.

For the purposes of NPS guidance a portrait subject is not considered a model. Examples of portrait subjects include, but are not limited to, wedding parties, high school/college, and graduates. But photography involving portrait subjects may require a permit if it also includes the use of props or sets, or is conducted in an area closed to the public, or needs to be managed by NPS personnel.

- §5.6(c) Use of commercial vehicles on park area roads (The superintendent shall issue a permit to access private lands within or adjacent to the park when access is otherwise not available)
- §5.7 Construction of buildings, facilities, trails, roads, boat docks, path, structure, etc.
- §5.10(a) Operation of eating, drinking, or lodging establishments in certain park areas.

III. GENERAL REGULATIONS

36 CFR §2.1 – PRESERVATION OF NATURAL, CULTURAL AND ARCHEOLOGICAL RESOURCES

(b) Hiking or pedestrian traffic is restricted to areas listed in Section 1.5 of this document.

(c)(1), (c)(2) Visitors may gather and possess for their own personal use, a reasonable quantity of edible wild berries and nuts. The following fruits, nuts, berries or unoccupied seashells may be gathered by hand for personal use or consumption, in accordance with the noted size, quantity, collection sites and/or use or consumption restrictions:

- Wine Berries, 1 quart

Justification: The Superintendent has determined that the limited use of these renewable resources will not adversely affect park wildlife, the reproduction of any plant species or other park resources. The authorizations of this consumptive use recognizes an existing condition but is meant to prohibit any large-scale collection of natural products for private gain through sale, storing, preserving of other purpose not closely related to the park experience.

36 CFR §2.2 - WILDLIFE PROTECTION

Wildlife injured within or outside of NPS lands as a result of hunting activities may not be pursued within or recovered from NPS lands, except as noted below in s. 2.2 (d). State Law provides landowners (managers) absolute control over lands that they own/manage.

(a)(2) Wildlife may not be intentionally moved or driven from National Park Service lands onto adjacent lands.

Justification: (for emphasis) Driving or moving deer from NPS lands onto adjacent lands is Equivalent to disturbing and is prohibited by 36 CFR 2.2 (a)(2).

(d) The transporting of lawfully taken wildlife through the park is not permitted, except as follows: Deer legally taken outside of the park may be removed by park law enforcement staff and returned to the hunter provided that:

(1)Park law enforcement staff are notified in advance and accompany the hunter while present on parkland,

(2)There is clear indisputable evidence indicating that the deer was originally taken outside of the park.

Justification: Pursuit of wounded animals onto NPS lands is equivalent to "taking" as defined in 36 CFR and is therefore prohibited by 36 CFR 2.2 (a) (1) – Wildlife Protection.

(e)(i) Wildlife may not be viewed using artificial lights, except use of artificial lights for census and/or research purposes by park staff and/or authorized researchers is permitted.

Justification: The park is closed at dusk. Except for authorized researched activities, viewing wildlife with artificial light is equivalent to "teasing" or "disturbing" and is prohibited by 36 CFR 2.2 (a)(2).

§2.3 Fishing

Fishing is allowed in waters within the boundary of Morristown National Historical Park in accordance with State of New Jersey Division of Fish, Game and Wildlife regulations. Indian Brook and the Passaic River are designated by the State of New Jersey as "Wild Trout Streams" and state fishing regulations are more stringent at those locations.

(a)(5) Pet excrement must be disposed of in accordance with the following conditions:

- All animal waste must be removed no matter the location (road, paths, trail, open field, or around buildings).
- Bags / Mitts are provided at the beginning of the Park Tour Road, Pennsylvania Line, and beginning of the New York Brigade trail.

(e) Pets may be kept by park residents

36 CFR §2.16 – HORSES and PACK ANIMALS

(b) The use of horses or pack animals is allowed on the following trails, routes or areas:

- White Blaze Trail (Grand Loop)
- Blue Blaze Trail (NY Brigade)
- Mt Kemble Loop Trail
- Old Army Camp Road

(b)(i) Horses are restricted to trails within the park designated as horse trails.

(b)(ii) The following trails are closed to horses:

- Soldier Hut Trail

- Primrose Brook Trail
- Sections of the Aqueduct Trail (as marked on the park's trail map)
- New Jersey Brigade Trail

(g)(i) Manure deposited by horses at parking areas where they are unloaded/loaded into trailers must be removed by the owner.

(g)(ii) Groups of riders using six or more horses must obtain a Special Use Permit at least 48 hours prior to arrival at the park.

Justification: Consistent with public health, protection of environmental values and natural resources and avoidance of conflict among visitor use activities, the Superintendent has determined that some regulation of horse use is necessary.

36 CFR §2.17 – AIRCRAFT and AIR DELIVERY

(c)(1) The removal of a downed aircraft, components, or parts thereof is subject to procedures established by the Superintendent through written authorization.

36 CFR §2.20 – SKATING, SKATEBOARDS and SIMILAR DEVICES

- Inside all government buildings
- Inside park owned vehicles

Smoking, including all tobacco products, electronic smoking devices (such as electronic cigarettes), handheld vaporizers and items covered by the Controlled Substances Act, Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (to include for medical use) is prohibited in all other areas and buildings to protect park resources and reduce the risk of fire.

36 CFR §2.23 – RECREATION FEES

(b) Recreation fees, and/or a permit, in accordance with 36 CFR part 71, are established for the following entrance fee areas, and/or for the use of the following specialized sites, facilities, equipment or services, or for participation in the following group activity, recreation events or specialized recreation uses:

Entrance Fee Areas:

As of 4/30/15, there is a four dollar fee for the Museum and Ford Mansion Tour.
Starting on 7/1/15, the fee will increase to $7 for the Museum and Ford Mansion Tour.
The use of Jockey Hollow, Jockey Hollow Visitor Center and tour of the Wick House is free.

36 CFR §2.38 – EXPLOSIVES

(a) Using, possessing, storing, or transporting explosives, blasting agents or explosive materials is prohibited, except pursuant to the terms and conditions of a permit. When permitted, the use, possession, storage and transportation shall be in accordance with applicable Federal and State laws.

(b) Using or possessing fireworks and firecrackers is prohibited, except pursuant to the terms and conditions of a permit or in designated areas under such conditions as the superintendent may establish, and in accordance with applicable State law.

(c) Violation of the conditions established by the superintendent or of the terms and conditions of a permit issued in accordance with this section is prohibited and may result in the suspension or revocation of the permit.

36 CFR §4.13 – Obstructing Traffic

(a)(i) Vehicles may only be parked within marked spaces located at designated parking lots.

(a)(ii) Vehicles may not park outside of or in front of closed or open gates. Vehicles parked illegally in association with a park gate will be towed.

Justification: Vehicles parked outside of designated spaces impede traffic flow (including emergency response vehicles), obscure visibility, create hazardous situations and cause resource damage.
