

Student Rubric: Skit Using 21st Century Beads

Student Directions: Listen quietly as each group presents skits using the beads they have created. Evaluate each of the groups for the criteria below on a scale of 5 (best) to 1(needs improvement). Write a comment in the last column that will let group members know what you liked about the skit and anything that you feel needs to be improved.

	Oral Presentation: Does each person have a speaking part? Are the speakers speaking clearly and loudly enough?	Plot: Beads play a central role in a 21 st century story idea.	Mechanics: The skit is well rehearsed and fits the 10 min. time limit.	Overall Comments: Was there anything that the group did that was especially original or creative? Do you feel you learned something new?
