THE NATIONAL MALL PLEDGE

WASHINGTON, D.C.

UNITED STATES DEPARTMENT OF THE INTERIOR • NATIONAL PARK SERVICE

It is self-evident that the great public spaces of our national capital belong to all citizens and must endure vigorously to inspire future generations. Here Americans commemorate, celebrate, demonstrate, and participate in endeavors related to equality, inalienable rights, life, liberty, and the pursuit of happiness.

*As a citizen of these United States,
with a firm recognition of my civic responsibility,
I pledge to my fellow Americans
that I will actively support and participate
in planning for the future of our National Mall
in order to perpetuate the ideals
it honors and symbolizes.*
