Free Adaptation Training:

Warming Up to Adaptation

This learning activity introduces key concepts of climate change adaptation through a series of short videos and quizzes. Superintendents, park managers, planners, and others involved in long-term planning efforts may find the activity particularly applicable.

Webinar:

Native Nations & Climate Change

The Southwest Climate Adaptation Science Center (SW CASC) and the NPS Tribal Engagement & Climate Change workgroup are hosting a webinar series in Spring 2022, on the third Thursday of April, May, and June, 12-1pm PDT. The webinars will highlight climate adaptation projects partially funded by the SW CASC that are taking place in collaboration with local Tribal partners.
