

National Park Service

NPS web site – <http://www.nps.gov/index.htm>

- PLEASE NOTE: When searching for teaching materials, don't expect the list of parks to be complete. What I would do is search for a park that has a theme related to what you are teaching and visit their web site directly. Call the park (phone number on web site) to inquire about curriculum-based/aligned programs and travelling trunks, etc. if you don't see it on their web site.
