## ATTACHMENT A CUA Insurance Requirements

### Commercial General Liability (CGL) Insurance

Liability insurance is required for all CUA holders under the terms of the authorization. Such insurance should be of sufficient scope to cover all potential risks and in an amount to cover claims that can reasonably be expected in the event of serious injury or death. The minimum commercial general liability insurance is \$500,000. Liability insurance policies must name the United States of America as additional insured. The business or person that is providing the service must be the named insured (policy holder). Companies that provide transportation only are not required to have Commercial General Liability as long as the passengers do not disembark.

### Other Required Insurance

**Commercial Auto Liability Insurance** is required if a CUA holder transports passengers or uses owned/leased/rented vehicles in the performance of the service in the park. If a CUA holder charters the vehicle and those chartered vehicles are owned and operated by another company, the CUA holder is not required to have Commercial Automobile Liability insurance. The minimum Commercial Auto Liability Insurance for interstate passenger transport is:

Commercial Vehicle Insurance – Passenger Transport (bodily injury and property damage)	Minimum per Occurrence Liability Limits*
Up to 6 passengers	\$1,000,000

16 – 25 passengers	\$3,000,000
26+ passengers	\$5,000,000

CUA holders authorized to transport passengers aboard or use in the park an owned/rented/leased vessel are required to have **P&I Vessel Insurance**. The minimum P&I Vessel Insurance is \$500,000.

### Insurance Company Minimum Standards
