### Determination of Change

Consistent with applicable legislation and Federal administrative policies, and based upon a determination that such action is necessary for the maintenance of public health and safety, protection of environmental or scenic values, protection of natural or cultural resources, aid to scientific research, implementation of management responsibilities, equitable allocation and use of facilities, or the avoidance of conflict among visitor use activities, the Superintendent makes the following change to the Point Reyes National Seashore Superintendent's Compendium.

1. In accordance with 36 CFR 2.51(b)(1) and 2.52(b)(1), demonstrations and the sale or the distribution of printed matter by 25 or fewer persons may be conducted without a permit in the available areas designated at 36 CFR 2.51(c).
2. In accordance with 36 CFR 2.51(b)(1)(i)-(ii) and 2.52(b)(1)(i)-(ii), this small group permit exception is contingent upon the other conditions required for the issuance of a permit being met: the group must not be merely an extension of another group already availing itself of the 25-person maximum; and the activity must not unreasonably interfere with other demonstrations, special events, or NPS program activities.
