I have been going through these photos and am concerned about all the animals.

My name is Christina Ybarra and am a native Santa Barbaran.

It would be a wondeful idea to have more people be supportive to (alternative A) why, so many reasons, I can't understand why they would want to disrupt the wild life. Especially, on the West Coast since there is none other close.

There has to be better place to grow oysters, Man invasive to the wild is never a good idea.

Drake Estero, should remain as it is, and be restored by 2012, as designated wilderness area - as promised.

Thank You.

The national treasure Drakes Estero needs protection as a designated wilderness preserve as long intended. It would be the only protected wilderness estuary on the west coast and I would like my children and grandchildren to be able to enjoy this piece of nature with out the industrialized oyster operation.

RE:Drakes Bay Oyster Company Special Use Permit Extension; Drakes Estero Wilderness Designation

Dear Secretary of the Interior:

Owner Lundy seems to have purchased this property, adjacent to his family ranch etc., feeling he could manipulate our political process for later expansion. Especially if option D is decided upon. One could almost imagine a "Knotts Berry Farm" (once a country family fruit stand, now competing with nearby LA Disneyland for the tourist dollar).

Public interests get shafted right and left in our system in recent years. Best to err in protecting wilderness, at the very most strictly limiting private development, as with the historic ranches nearby.

Sincerely.

I am in full support of alternative "A" and I can only hope that you realize that above all we must think of our actions and their repercussions Long Term. Secretary Salazar,

I write to appeal to you to support alternative "A" which is the environmentally preferred alternative so the public's need + love for marine wilderness is not lost.

Commercial efforts to erode our native lands must be stopped! Drakes Estero is in need

Sincerely,

Elizabeth Mensel

SECRETARY SALAZAR

I URGE YOU TO PROTECT OUR ONLY MARINE WILDERNESS ON THE WEST COAST NEXT YEAR AS PROVIDED FOR IN THE MORE THAN 30 YEARS AGO, I SUPPORT ALTERNATIVE "A", WHICH IS THE ENVIRONMENTALLY PREFERRED ALTERNATIVE.

OUR LONG-STANDING NATIONAL PARKS AND WILDERNESS LAWS SHOULD BE FOLLOWED, AND DRAKE'S ESTERO WAS ALWAYS SUPPOSED TO BE PROTECTED NEXT YEAR. IF WE DON'T PROTECT THIS MARINE WILDERNESS AND FOLLOW THE LAWS, I AM CONCERNED THAT OTHER SPECIAL PLACES IN THIS COUNTRY WILL ALSO BE EXPOSED TO PRIVATIZATION AND COMMERCIALIZATION EFFORTS.

PLEASE PROTECT THIS NATIONAL TREASURE!

SINCERELY

BEST OYSTERS, LOW IMPACT
ON THE PARK, AN EDUCATION RESOURCE
