Subject Re: Request for Point Reyes National Seashore Documents

Hello,

This is in response to your March 8 Freedom of Information Act (FOIA) request below for "the Special Use Permit and the Reservation of Use and Occupancy" for the oyster company in Point Reyes National Seashore. We will mail copies of the requested documents to your address below. The fee incurred in responding to your request did not exceed \$30 and has, therefore, been waived.

Also, your name and address has been added to the park's mailing lists for the park's General Management Plan update, etc.
