PR #10.09

Dear Ms. Graves:

This is in response to your below FOIA request regarding "use of leases by the National Park Service to preserve historic structures as authorized by 36 CFR Part 18...at Point Reyes...", Point Reyes National Seashore has issued no such leases under the historic leasing authority of 36 CFR Part 18. Therefore we are unable to provide you with copies of any such documents.

Thank you.

Gordon White
Acting Superintendent
Point Reyes National Seashore

I am researching the use of leases by the National Park Service to preserve historic structures as authorized by 36 CFR Part 18. Pursuant to the Freedom of Information Act, I am writing to ask if the NPS has leased any historic structures at Point Reyes and to request copies of any signed lease agreements. Thank you. Margaret Graves
