

Pu`uhonua o Honaunau National Historical Park 47th Establishment Day Annual Cultural Festival

Saturday, June 28, 2008

9:00AM – 3:00PM

The community is invited to join the park for “Na Mea Hana Lima na Kupuna” (the Working Hands of Our Ancestors). This annual event is in celebration of the park’s 47th Anniversary and Annual Establishment Day.

The festival is a special time when children, kupuna, and visitors come together for two days of fun, laughter, sharing, and learning. Visitors can experience, interact with, and be inspired by a “living culture.” The Festival has become a tradition for the local community, an event where the younger generation can learn about their culture and experience their heritage. As our *kupuna* leave this world, it becomes more important that they have the opportunity to share their knowledge. This Festival provides a time and place where cultural demonstrators and artisans can practice their craft and train a new generation of practitioners.

This event is free to the public; park entrance fees are waived. The Festival is sponsored by The Council for Native Hawaiian Advancement, the Keomailani Hanapi Foundation, and the Hawaii Natural History Association.

9:00 Royal Court (opening procession)
