Seventh Annual Scotch Broom Bash in the Bald Hills

Saturday, March 8, 2014

Meet at **9:00 A.M.** at the Kuchel Visitor Center, 1 mile south of Orick on Highway 101 for coffee and carpooling. We will pull broom in the morning, then have lunch with a talk on the cultural history of the Bald Hills by Park Ranger Jim Wheeler.

Latecomers welcome, just look for the signs!

Become a steward of Redwood National and State Parks and join us in the hills!

Bring a bag lunch, drinking water, work clothes (with layers for changeable north coast weather conditions), and work gloves if you have them. Steady rain cancels.

For more information, please contact Kuchel Visitor Center at (707) 465-7765.
