The Wild Bunch: Squirrels, Chipmunks & Marmots

Squirrels, chipmunks and marmots are some of Rocky's smaller wildlife - but wild they are! Come learn about their lifestyle and even hear a "tall tale" about a tiny animal in this illustrated program.

June 16

Wolves? Wolverines? Mountain goats? in RMNP?

In the wilderness lives the WILD. In recent years, rare animals have been seen in RMNP. Come learn about these wild creatures and learn the importance of reporting rare animal sightings.

All programs are free and open to the public.
